

ORDER FORM FOR (SLIMLINE) CURVED, VERTICAL TRACKS

Please measure **EXACTLY** at the point shown on **DIMENSION A** (*wall to wall*)

DIMENSION B is then taken from this line up to the window frame.

When **DIM A** IS **LESS THAN 4X DIM B** - we recommend the track be made in two halves for ease of operation.
(we strongly advise against a wand operation, but it can be done **ONLY AS A ONE WAY DRAW**)

Company name: _____

Date: _____

Order No: _____

Ordered by: _____

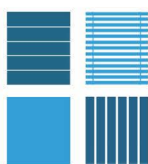

*We **MUST** conform to the revised 2014 child safety regulations, which means **BY LAW YOU MUST SUPPLY** either a fitting height **OR** a required control length.
PLEASE BE AWARE should you provide neither, then your order **WILL NOT BE PROCESSED**.
